

SENIOR SECTION

Dear Mustang Staff,

Mr. Abramson,

Not only are you an amazing teacher, but you actually care about your students. It was so nice to know I always had a place to sit at lunch if I needed. I still remember singing the quadratic formula song and I'll never forget it.

—Izzi Strand

Mrs. Anwar,

Thank you for being understanding teacher and encouraging about meaningful work rather than just busy work. You are always such a down to earth person.

—Brian Kang

Ms. Chemaly,

Thank you for always believing in me and being real with me. You truly made an impact on who I am today.

—Jacklyn Taylor

Ms. Frumentti and Kentonstock,

Thank you for in believing me and helping me with all your support. It's been a pleasure spending four years with you guys. I couldn't have asked for better teachers!!!

—Caleb Sultze leinenweaver

Mr. Johnson,

Thank you for everything you've done for us over the four years: whether it was letting us overtake your office with snacks and endless packages (we promise we'll clean it), lunch meetings (planned or an emergency), proper tool usage and oversight (to prevent accidental staplings), reminding us about THOSE things (the ones we may or may not have forgotten), or waking up at the crack of dawn to babysit (less than) 40 kids on those Saturday mornings. All that aside, thank you for an amazing four years and the countless hours of dedication you have put into making sure our team learns and succeeds together.

—Alyssa Gee and Caitlyn Kim

Ms. Alm,

I never thought a math teacher would have as big of an impact on my life as you did. You helped our class through the tough material and made us laugh while doing it.

—Liz Grossman

Mr. Bowling,

Thank you for being someone to talk to and who loves what they're doing. You give students more opportunity to become something greater than what they can be.

—Jacklyn Taylor

Custodians,

Thank you for always making my day and keeping our campus beautiful All your hard work is not overlooked! Thank you!!!

—Zaynab Fatima Jawaid

Doña Sandra,

You always greet everyone with open arms. Your kind heart and warm personality combined with the amount of respect you treat your students with makes for a wonderful teacher. I can always rely on to listen, give me a hug, or help me in any situation. Gracias por todo. ¡Te extraño y te quiero mucho!

—Anyia Malhotra

Ms. Laurence,

Thank you for always helping me and being such a good teacher and person. Your class was always something I could look forward to.

—Griffin Bloom

Ms. Johnson,

When I was a freshman and was missing weeks of school due to health problems, you were the only teacher that asked me how I was doing outside of school work. Thank you, I'll never forget that.

—Hannah Arbabi

Mrs. Schikora,

Thanks for being so fun to talk to about anything and everything, especially crows! I will always remember your kindness! And of course, thank you for all your help over the years! Don't forget me (I know you won't, after all, I am a favorite, right?)!

—Zaynab Fatima Jawaid

Ms. Leadingham,

Thank you so much for being my teacher for three years now. You always made class so fun and engaging. I'm so sad Shakespeare was cut short this year, but I'm so grateful we were able to do so much before March. I'll be sure to visit :)

— Emily Kestler

Mr. Powers,

It has been so fun being in your class all you became one of my favorite teachers. Thank you for always being there to talk and supporting us every step of the way. I'll visit sometime soon!!

—Gabi Piacente
